My name is Trym, I am 26 years old. I am an ADS online student living 50min from Oslo. I work 2 days a week 07.30-15.30, usually Tuesdays and Fridays, but that's up to me, so I can be flexible if not on very short notice.	

Your Availability

When creating (self-organising) teams for collaborative work it can be challenging to find times when you are all available to work together and hold your team meetings. You can use the following table to outline YOUR schedule, then share it with others to enable you to ensure that your final team will be able to collaborate during your time in Studio.

In the spaces below, please cross out the times when you will NOT be available to work outside scheduled classes on assignments with your team. Mark ONLY genuine conflicts, such as with classes or job responsibilities.
